G.B. Gunlogson Countryside Engineering Award

The G.B. Gunlogson Countryside Engineering Award honors outstanding engineering contributions to the development and improvement of the countryside. The winner has contributed to engineering practices that enhanced techniques or technology for environmentally and socially responsible countryside development or contributed to other leadership activities that promoted environmentally and socially responsible development of the countryside.

The award was made possible by ASABE Life Fellow, G.B. Gunlogson, founder of The Countryside Development Foundation, Inc. of Racine, Wisconsin.

The award consists of an engraved plaque.
