

Technological Contributions Awards

Heermann Sprinkler Irrigation Award

The Heermann Sprinkler Irrigation Award encourages and recognizes engineering excellence in the design, evaluation, operation, or management of sprinkler irrigation systems that effectively conserve our valuable resources. The award recognizes those professionals in research, development, extension, education or industry that have made significant contributions to the improvement of efficient and effective sprinkler irrigation.

The award was endowed by Dale Heermann upon his retirement from the USDA-ARS. Honoree receives an engraved plaque.
