Netafim Award for Advancements in Microirrigation

The Netafim Award for Advancements in Microirrigation encourages and recognizes engineering excellence in the design, development, evaluation, operation, or management of microirrigation systems and/or efforts that increase the adoption of this efficient irrigation method.

The Netafim Award for Advancements in Microirrigation is endowed by Netafim USA, Fresno, California.

The honoree receives an engraved plaque.

Previous Netafim Award for Advancements in Microirrigation Award Winners

2014	Freddie Ray Lamm
2015	James P. Bordovsky
2016	Howard A. Wuertz
2017	Jiusheng Li
2018	Megh R. Goyal
2019	Brian Boman
2020	Sanjay Shukla
2021	Suat Irmak
2022	Isaya Kisekka
2023	Juan Enciso-Medina
2024	James E. Ayars
