Roger R. and Laura M. Yoerger Preprofessional Engineer of the Year Award

The Roger R. and Laura M. Yoerger Preprofessional Engineer of the Year Award was established to honor an outstanding ASABE Preprofessional member of the Society.

The award seeks to recognize an outstanding Preprofessional undergraduate student member who has excelled scholastically and has been a leader in the local, regional, and international communities as demonstrated by activities and offices held at each level. The honoree receives a glass recognition item, pictured at left.
