

Netafim award for Advancements in Microirrigation

(Nomination due by October 31)

ASABE: The Society for Engineering in Agricultural, Food and Biological Systems

Nomination Instructions

Note: ASABE no longer accepts paper or PDF nominations. These materials are to be used to prepare the nominations, which must be submitted online through the nomination platform. All nomination materials are due by October 31st.

- 1 Candidate's Name (first name, middle initial, last name)
Email Address
- 2 Primary Employment Position and Institution/Company
- 3 Education (list all degrees earned, dates, fields, and institutions)
- 4 Registered Engineer (list states)
- 5 Areas of Specialization
- 6 Description of outstanding technical and professional engineering accomplishments and contributions in research, development or design of food processes significant to the food industry; and in outstanding leadership, management or education to advance the food engineering profession. Limit of 500 words.
- 7 Record of professional work experience
- 8 Contributions of record: include citations for the 10 most significant publications written by the nominee.
- 9 Summary: numbers of refereed journal articles; patents; books; book chapters; conf. proceedings; other publications; other contributions of record.
- 10 Principal technical society memberships (including grades) and activities, and other noteworthy pertinent accomplishments in engineering and public service (boards, committees, consultant-ships, important offices held and contributions to society).
- 11 Professional recognition (honors, awards, prizes, honorary degrees; give specifics)
- 12 Proposed Citation (not more than 20 carefully edited words that reflect specific documented contributions).

* References – List 3-5 references who will provide a letter of recommendation. Two of the references must be ASABE membership numbers. All references letters must be submitted directly through the online nomination form.
