

A Global Day of Giving - Remember a Profession with Global Impact!

Become a mentor and help a member advance his or her career.

Strengthen the profession and give *yourself* the gift of professionalism by getting licensed. Information and free resources available on the website.

Sponsor a student to attend AETC—just \$199. Sponsors enjoy recognition on conference name badges. Contact Jessica at Bell@asabe.org for details.

Choose an ASABE Foundation Fund that aligns with your interests and make a year-end donation to the ASABE Foundation.

Commit to making the ASABE Foundation a beneficiary in your estate planning. Contact Darrin at Drollinger@asabe.org to start the conversation.

Strengthen ASABE's legacy as a leader in publishing: Submit your work to an ASABE journal.

Mentor someone about to take the Ag/Bio PE exam.

Give a “Proud Member Testimonial” and inspire someone else to become involved in the Society.

Become involved in standards activity within your area of expertise. Contact Carla at VanGilder@asabe.org for details.

Celebrate the 30th anniversary of Engineers Week, February 16-20, 2020. Present a hands-on activity in a classroom, at a scout meeting, or at a science center.

If you're 70½ or older, **make a**

year-end, tax-free **gift** to the ASABE Foundation using funds transferred directly from your IRA.

Let ASABE help you: Boost your humanitarian engineering project with an award from the Giving Back Fund – deadline, December 31.
