

## GRADE OF FELLOW

---

ASABE: The Society for Engineering in Agricultural, Food and Biological Systems

### **Nomination Instructions**

Note: ASABE no longer accepts paper or PDF nominations. These materials are to be used to prepare the nominations, which must be submitted online. All nomination materials are due by April 15<sup>th</sup>.

---

- 1 Candidate Name (first name, middle name or initial, last name),  
E-mail Address  
Years of ASABE Membership:
- 2 Primary Employment Position and Institution/Company:
- 3 Education (list all degrees earned, dates, major fields, and institutions):
- 4 Registered Engineer (list states):
- 5 Areas of Specialization:
- 6 Specific Outstanding Technical and Professional Accomplishments and Contributions Meriting Election to the Grade of Fellow. Note a Fellow nominee should have active participation in the Society over a sustained period.  
Examples:
  - 1 Publication of important, original engineering or engineering-related papers, books or inventions
  - 2 Technical direction with evidence of accomplishment of important engineering or engineering-related work
  - 3 Creative contributions to the advancement of the profession
  - 4 Establishment or furtherance of important engineering or engineering-related courses or significant contributions to engineering or engineering-related extension
  - 5 Organizational or technical leadership which has motivated or developed the application of engineering or engineering-related principles
  - 6 Significant contributions in other areas such as technical editing, development of standards, or leadership in other activities of the Society.Describe the impact of the work locally, nationally and internationally in areas such as the economy, industry, education or practice.
- 7 Record of Professional Work Experience\_(list principal positions and describe primary responsibilities for each; include dates):
- 8 Publications or patents of record, include up to 10  
  
Contributions related to publications: brief description of up to 10 of the most significant

published contributions, including books, book chapters, conference proceedings, refereed journal articles, patents, other publications. (list complete title, all authors, source, and date for a maximum of ten (10) publications of most significant impact)

And/or

Contributions related to solutions: categorized as appropriate -- i.e., products designed, guides developed, engineering projects completed, standards developed, etc. (give brief description of up to ten (10) most significant contributions)

- 9 Principal Technical Society Membership (including grades) and Activities, and Other Noteworthy Pertinent Accomplishments in Engineering, Technical Editing, Engineering Standards Development and Public Service (boards, committees, consultantships, important offices held and contributions to society)
- 10 Professional Recognition (honors, awards, prizes, honorary degrees; give specifics)
- 11 Proposed Citation (include no more than 20 carefully edited words that reflect specific documented contributions)

\*References – List a minimum of six (6) up to a maximum of eight (8) references. Six (6) of these references must be ASABE members. All references letters must be submitted directly through the online nomination form.
